[Name No. 42][111]

Notes: [a] The text of this message appears to have been encyphered again on the next additive page and transmitted on 26th September as external serial 697, internal 3317. As identical recoveries have been made in both versions the reason for the resend is not apparent.

- Comments: [i] Name No. 59 : Probably Capt. ~~Alex~~ TARADIN, Soviet
Naval Attaché in STOCKHOLM, 10.8.42 - 23.9.45.
Among other messages to STOCKHOLM there is
slight evidence that external No. 555 of
19th August 1942 and No. 644 of
15th September 1942 were also addressed to
Name No. 59. Otherwise this is the first occurrence
of Name No. 59 as addressee or signatory in
[ii] GEORG : Unidentified cover-name, STOCKHOLM.
[iii] Name No. 42 : Possibly Capt. (1st Rank) Mikhail Aleksandrovich
VORONTSOV.
